CERTIFICATIONS

CompTIA A+   October 2022-2025

EDUCATION

A.S. Computer Science (In Progress)   Riverside City College, 2024
A.S. Cybersecurity (In Progress)   Riverside City College, 2024

EXTRACURRICULAR & PERSONAL PROJECTS

- Currently developing a text-based JavaScript RPG game to practice my JavaScript as I go through The Odin Project curriculum.
- Currently assisting in the development of a church ministry site for my friend.
- Helping teach chess at my local library chess club.
- Actively networking with peers in The Odin Project to gather more knowledge and apply it in practical ways.

TECHNOLOGIES

- Windows 7, 8/8.1, 10.
- Currently mastering Linux ubuntu.
- C++, JavaScript, HTML5, CSS3, Materialize CSS, Flexbox, NodeJS, OOP methodologies, cmd line, Git, GitHub.

EXPERIENCE

Company: Uber Eats
Title: Delivery Driver   **08/2022 - Present**
- Currently ranked with a 99 percent delivery satisfaction rating, based on over 300 deliveries
- Have developed tools for efficiency tracking, taxes due, and to track dollars to mile order efficiency via google spreadsheet.
- Have trained other friends to be strong and effective on the Uber Eats platform.
